BRITISH SHIP FIRED ON.

Russian Warship Fires on British Steamer in the Red Sea that Disregards Her Challenge to Stop.

ACTION IS HIGH-HANDED AND UNWARRANTED.

Japan Has Gained a Firm Hold on Corea and the Corean Army of Well Trained Soldiers is at Japan's Service. France is Desirous of Peace. Russians Burn a Village and Massacre Its Inhabitants, Russia Will Defend Port Arthur.

[BULLETIN SPECIAL WAR SERVICE.]

Fire on British Ship.

London, February 26. A Russian torpedo boat destroyer stopped and boarded the British India Company's steamer Mombasa, in the Red Sea, on February 22. The destroyer fired a gun which the Mombasa disregarded but a second shot caused the liner to stop.

A Russian officer boarded the Mombasa and examined her papers after which she was allowed to proceed.

St. Petersburg, February 26. A long official telegram giving details of the attack on Port Arthur on February 25, was received this afternoon and is now in the hands of the military censorship committee.

The correspondent of the associated press has learned that the attack developed into a general engagement between the Japanese ships and the Russian squadron and forces which continued for some three hours and resulted in the repulse of the Japanese.

Channel Blocked for Warships.

Cheefoo, February 26. A report from a Japanese source to-day states that while the ships sunk at Port Arthur Wednesday do not block the channel sufficiently to impede destroyers and small cruisers, none of the battleships will be able to pass them. To this extent the Japs were successful. Admiral Toga is said to have no idea of reducing the fortifications by an attack from the seaside of the Port.

Russians Massacre Innocents.

New Chewang, February 26.—The Russians took terrible vengeance on the villagers near the Sungas River after an attempt had been made to wreck a bridge. The troops burned one large village to the ground and massacred the inhabitants including the women and children.

Safety of Japanese Fleet.

London, February 26.—The Japanese legation gave the following official despatch from Tokio dated February 26th. "Early in the morning of February 24th, four old vessels escorted by some torpedo boats were run into the entrance of Port Arthur for the purpose of blocking the harbor. The object of sinking these vessels was attained and the officers and crews returned safely. Although there is no special regarding our fleet from Admiral Toga, no doubt can be entertained as to its safety."

For Russia Only.

St. Petersburg, February 26.—The Birshewaya Viedmosti says, a telegram has been received from Baron Guirburg who has a contract for supplying coal to the Russian navy (but whose address is not stated) which asserts that 12 armored Japanese ships are now in Dook undergoing repairs for injuries inflicted upon them in their battles with the Russians.

Russia Needs Immense Force.

STREET RAILWAY AGREEMENT.

Several important amendments have been made to the street railway agreement.

Clauses 61 and 62 have been altered by striking out the \$25,000 penalty, and substituting, in case two miles of the road is not completed in two years the following penalties will be inflicted:—

(a) The forfeiture of \$10,000. (b) the forfeiture of all their rights under the agreement. (c) the forfeiture of all their rights under the charter.

If the company does build these two miles the same penalties will take effect if after another three years the company does not have either nine miles of a arterial line, or a line of Strathcona constructed.

The railroad will commence at the corner of 12th Street on 11th Avenue instead of ninth street.

The company must have a reasonably conveniently situated office or freight shed for distribution of way freight.

The municipal council from time to time may make reasonable regulations regarding the hauling and situating of freight cars within the municipality.

A few minor changes in the wording of some of the clauses have been made.

Two new telephone lines have recently been strung between Edmonton and Strathcona, by the Edmonton district telephone company. This has greatly improved the service.

The funeral of the late Loftus H. Boyle, brother of J. R. Boyle, Edmonton, will take place to-morrow afternoon at 2:30 o'clock from the family residence on Sixth street or the Edmonton cemetery.

The Methodists of Clover Bar will hold their anniversary services to-morrow evening and their annual supper on Monday evening, when an excellent programme will be given.

Balaam or "Trifling with Light," will be the subject of pastor McDonald's address on Sunday evening at the Baptist church. This will be the third of a series of addresses on "Men who Failed."

R. J. Armstrong has purchased the livery stock and business of McRae Bros., Strathcona, and has leased the Mallette stable in Strathcona. The new business will be conducted under the name of the Alberta Livery, Sale and Feed stables, and will be run in conjunction with the stables of the same management in Edmonton. A bus will run between the Alberta Hotel, Edmonton, and the Strathcona House, Strathcona, every two hours.

Ponoka Herald: Alberta College, Edmonton, has a scholarship to stimulate its students—the first of many, it is hoped. A prominent citizen of Ponoka, who is deeply interested in the educational progress of Alberta, offers a scholarship of \$25, to be awarded to the student showing the greatest proficiency in subjects to be determined by the college board of management. The scholarship will be awarded for the first time at the spring examinations of 1905.

Plaindealer: The meetings held yesterday in Ross Hall by Col. Gregory and his associates were poorly attended and in a measure disappointing to many of those who were present. The afternoon meeting was called to order by R. Sheppard, of Strathcona. Addresses were delivered by Col. Gregory, Messrs. Makepeace, Cook, W. R. Hall and J. W. Cliff, after which a few of the audience remained to organize a branch of the Alberta Farmer's Association. An organization was effected with seven members. In the evening another meeting was held which was addressed by Col. Gregory, Mr. Ball and others along the same lines as in the afternoon.

Mr. Vernon Parfert's pupils gave their regular monthly recital in the All Saints Church Schoolroom, last night. Miss Edith Bellamy assisted in the programme by giving two readings which were thoroughly enjoyed. Each of the numbers were well rendered.

At the Wetaskiwin bonspiel held the last two days, Giles' rink won the G. & N. Challenge and Innisfail won the Brewing Cup, and Edmonton Pareen's rink won the consolation. There were only three competitions. Giles' rink was composed of J. Giles, J. B. Mercer, J. H. Morris, and E. Baymer; Pareen's rink, H. Pareen, R. Dewar, W. Iewin, and C. Jardine.

J. A. STEPHEN,
REAL ESTATE AGENT, EDMONTON

VEGREVILLE.

A serious case of black diphtheria broke out in Vegreville some time ago. The subject of the disease was Myrtle Cole, youngest daughter of Mr. Merton Cole of this village. She is now reported out of danger and is fast improving under the best of medical attention.

A Galician woman who lived five miles west of here came to Vegreville twelve days ago. She bought some things in the stores here and then started for home. Up to the time of writing, no trace of her whereabouts has been found and a very diligent search has been made for her and with no success. It was a very cold and stormy day when she was last seen.

Mr. Adam Dorin was fined \$10 and costs, in all about \$35 for using a horse that came to his premises without legally advertising the animal. The case was handled by Constable Moore and Joe Fleming, J. P.

School here has been discontinued during the last two weeks mainly owing to the fear of contracting black diphtheria, which is now in the village. The cold weather too has deterred children who live far away from coming to school.

Mr. Miller, cattle rancher, from North Birch Lake, has removed his cattle from Vegreville to his own ranch. Very unfortunately, Mr. Miller has lost over 100 head of his large herd. The cattle, we are informed, were last summer imported from Ontario, and as they were unaccustomed, many of them have died because of the severity of our recent hard siege of Alberta winter.

The Grand Central Hotel here was opened last spring nearly 2,000 different persons have placed their names on the hotel register. This will give outsiders a little idea of the number of people who travel our way.

Since the above was written, Mrs. Tynckin, the Galician woman, who lost her way home on Friday, February 12th, has been found. She was frozen to death beside a small bluff of brush about three miles west of here. The body was found by her friends who never stopped a diligent search for her. The corpse was about 100 feet off the trail when discovered.
